THIS IS UNEVALUATED INFORMATION

25X1

1. Construction plans of the technical group of the Higher agricultural center in Karczniszka (P 55/H 00) are as follows:
 - a. Construction of new farm buildings at Karczniszka, about two kilometers from the old farm site.
 - b. Construction of a tractor repair shop at Lubaszewo.
 - c. Construction of a stable at Wyszyno.
 - d. Construction of houses for workers.
2. The materials for the various construction projects consist either of brick or wood. Deliveries are very irregular; for this reason the technical group also works irregularly.
3. The technical group consists of about 40 workers; they are usually divided into 6 brigades. [redacted] some of the members of the group:
